

**STATEMENT BY PIECED TOGETHER DIRECTOR JULIANNE DONOFRIO
ON THE PASSING OF DONNA SUE GROVES**

It was a privilege to tell Donna Sue's story, and an even greater honor to be her friend. Donna Sue saw possibility in the arts, and her greatest wish was for each of us to look out for one another. She was thrilled that so many found joy in the barn quilt project, and was amazed at how it grew. Donna Sue's legacy is in every painted square found around the world.
